

CONNECTING PEOPLE, PRODUCTS, AND SUPPLY CHAIN SOLUTIONS

About MJB

Since 1975, we've built a global sales, manufacturing, distribution and marketing company driven to serve our customers around the clock. We deliver the products and solutions that enable our customers to overcome challenges and drive better business results to achieve maximum productivity, efficiency, and profitability. We do this by:

- ➔ Connecting people, products, and supply chain solutions through creativity and expertise
- ➔ Focusing on quality, innovation, strength and beauty
- ➔ Dedicated to helping our customers find the best products at the best prices
- ➔ Expertise in manufacturing, sales, product development, and technical engineering
- ➔ Building long-term, creative solutions for our customers
